# Safety & Cleanliness

**SAFETY IS OUR #1 CORE VALUE**

At Wonderfly, we are a family. Since the beginning, we have always gone above and beyond to keep our family safe and healthy. And now, we have put even more measures in place.

## Private event area and private restroom

All Wonderfly Arena events are 100% private. This means you will not be sharing your event area, bathrooms, or entrance/exits with strangers.

## Thorough cleaning of all games & activities

All game equipment and game supplies are sanitized twice: once before each use and once again after it is used.

## Dedicated sanitation team on all shifts

All high-frequency touch points will thoroughly be wiped down before, during, and after every event by our dedicated cleaning team.

## Updated check-in and waiver signing options

Check-in and onsite payment are now touchless and you will have additional online waiver prompts.

## Thousands of square feet, all for you

We have enhanced the layout of our 13,000 square foot facility to maximize social distancing.

## Touchless temperature screenings upon arrival

All staff and guests will have their temperature check prior to entering the facility.

## Hand sanitizer stations and filtered air

Hand sanitizer is distributed throughout the facility and our A.C. filters allergens and virus carriers.

## Distanced orientation and game instruction

Our Game Coordinators and Team Members will practice social distance throughout.

## Face coverings required

Face masks are required to be worn at all time for all guests and staff ages 5+ except when seated and eating or drinking.

# Event Policies

## Alcohol

Groups of 50 or less can bring in their own beer, wine, and hard seltzers. Groups of more than 50 people or any group that wants liquor must have a TIPS or TAMS certified bartender on site serving. All bar services will end 30 minutes prior to event time ending.

## Overtime

Overtime charges will apply to any group that has anyone from their event or any of their own equipment, decorations, or vendor equipment present after the end of the rental time. Any hour or partial hour of overtime will be billed at \$400 per hour or partial hour.

If a group wishes to add time to their event, they must inform the onsite facility manager 90 minutes prior to the original event end time and must be paid for 90 minutes prior to original event end time. This time will be added to the event invoice and cannot be taken out from the cleaning/damages deposit.

## Event Time

Event time is the time that is paid for. Any time that is needed for any set-up, clean up, and vendor set-up and clean up must be done within the event time.

## Vendors

A vendor is anyone you are hiring to perform any services (catering, decorating, rental equipment, etc.) Within 14 days prior to your event, you must inform Wonderfly of any vendors you are using.

## Timeline

14 days prior to your event, you must give Wonderfly a detailed timeline of your event (when vendors arrive, when set-up is, when clean up starts, when guests arrive, etc.)

## Payment

Any event over \$3,000 before tax requires a 25% deposit to fully reserve event date and time. 3 months out another 25% is due, 2 months out another 25% payment is due, and the final payment is due 28 days prior to your event.

Any event under \$3,000 before tax requires a 50% deposit to fully reserve the event date and time with the remaining balance due 28 days prior to your event.

## Late Night

Any event that goes past midnight (12 AM) will have our late night fee. Late night fee's are an additional 25% of the hourly rate.

# Maryland's #1 Rated Event Venue

Absolutely loved this place! My husband and I held our wedding here. The staff were super helpful, patient, understanding and just overall awesome, especially due to the fact that planning a wedding can be somewhat stressful, they made sure to alleviate some of that stress when it came to the venue, they laid out the tables to how we wanted them, they set up two tv screens for a video message that was played during the reception, they set up a slideshow with photos of my husband and I for the lobby, and they even had a very beautiful bridal suite. I'm really glad we chose this place for our wedding reception!

My company held its monthly team building event here this month and everyone had an amazing time! Although we all went home a little sore, the fun we had while we were there was more than worth it. We had the entire arena to ourselves for a very reasonable price, we were able to bring in our own drinks, and the two hours they gave us was more than enough time for our group (eight people) to try every activity once, go back and do a couple of them a second time, and have time to just sit and relax (and catch our breaths). If you are looking for a team building event for your company, I highly recommend Wonderfly Arena!

We had our company Christmas Party here and the venue and staff exceeded our expectations. It was a smooth process from the beginning and they were very flexible and accommodating to our needs! The venue was clean, well kept and the staff was very involved during set up, the party and clean up. They helped to keep things moving smoothly with a large group and everyone really enjoyed their time!

Man oh man. These guys went above and beyond for my event. From first contact until the last minute of my event the staff was all smiles and eager to make my groups time in their facility the highlight of their week. They delivered 1000%. I could not more highly recommend wonderfly arena for their next corporate event or family looking for an outside of the box idea for a party.
